Welcome to the State Information Center,

The State Information Center is your single point of contact for questions about state government. We are available to help you by phone Monday through Friday, 7 a.m. to 5 p.m., and are always happy to answer your questions via email.

With more than 70 state agencies, approximately 38,000 employees, and more than 800 worksites around Indiana, state government can be confusing. In response, the State Information Center, has been created to improve customer service to Hoosier residents.

The State Information Center has been established as a central point of contact for businesses and the general public to find answers to questions relating to all aspects of state government. The goal of this service is to make government more responsive to residents by providing answers to their requests for information and printed materials or referring them to the appropriate source.

Out of state callers can reach the State Information Center at 1-(317)-233-0800, while in state callers can call a toll-free number 1-800-45-STATE (1-800-457-8283), both of which can now be accessed for accurate information regarding state government. The telephone lines are now available Monday through Friday, 7:00 a.m. to 5:00 p.m. The office is open for walk-in assistance, or you can e-mail your questions to us 24 hours a day.

We look forward to hearing from you.

### Press Release

#### Indiana Supreme Court to Visit Richmond, Ind. for Oral Argument

April 12, 2006

The Indiana Supreme Court will hold oral argument at Indiana University-East, in Richmond, Ind. at 2 p.m. on Monday, April 17, 2005, Chief Justice Randall T. Shepard announced today.

The case is *Norman Thompson v. State of Indiana*. In this case, the State charged Mr. Thompson with carrying a handgun without a license. Mr. Thompson argued that the evidence of the handgun should be kept out of court and the Marion Superior Court judge agreed. However, the Indiana Court of Appeals overturned the trial judge's decision. Now, Mr. Thompson has asked the Indiana Supreme Court to review the case and reinstate the trial judge's original decision. The attorney for Mr. Thompson is Stephen Gerald Gray. Cynthia Ploughe will represent the State of Indiana.

"The Supreme Court was very grateful that Wayne Superior Judge Tom Snow invited us to come to Richmond. My colleagues and I feel it is important for Hoosiers to get a first hand look at how our courts work," said Chief Justice Shepard.
